SYRUP PECTORA1

ILTI INVITE ATTENTION to some of the most PECTORAL SYRUP.

DR. KRYSER'S PERPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALI THOSE WHO NEED HIS MEDICINES. ATTEND TO YOUR COLDS -A case of five years, randing cured by DR. KEYSER'S PECTORAL SYRUP.

Prevenungu, Jan. 11, 1860. Dr. Kryen:—My wife has been afficted with a bad cough and difficulty of sreathing, for five or six years, which, for several yearshack, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Eyrup. I bought, the first time, a fifty cent bottle, which relieved her very much I then called and got a dollar bottle, which relieved her very much I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former discuse, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire astisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

moving als that disagreeable measures attending a severe sold.

I have been, more or less, in my life, affected with the severest of colds and hearseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few does of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly may that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, must respectfully, Xours, most respectfully,
EDWARD J. JONES,
Cashier Citizens' Deposit Bank.

STRIBERVILLE, O., March 14, 1859.
I have used Dr. Keyser's Cough Syrap for a had cough
f several years standing, and can cheerfully say it is
the best medicine for the same that I have ever taken.

COL. PRATT AND DR. KEYSER'S PROTORAL SYRUP.—Da. KEYSER—Dear Sir. Racuso the delay of my acknowledginy the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. Remocked the noise out of my cough and the worst one I was ever afflicted with I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not auder another such an attack for any consideration, or at any cost. I am confident I can breather more freely than I ever did. I shall simulate a stranger of the proper S. F. PRATT.

cough continued managed until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one houte I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case. John C. LITTLE, Witness—B. M. KERE. Peebles townhip.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without beneat; his brother came to see him file, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pecteral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN'GINNIS.

DR. KRYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Kayser's Pectoral Syrup." We have sold sixteen bottles has week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully.

J. S. WATTERSON & SONE

ANOTHER NEW CERTIFICATE—DR. KEYSER'S.
PROTORAL SYRUP.—I had been troubled with a cough
and cold for several weeks—so bad was it that I could not
sleep. I had the advice and prescriptions from three of
the best physicians in the city, whom I could name, but de
not de so. I finally procured a bottle of your Pectoral
Syrup, which cured me entirely. Eigned,
J. W. SIMONTON. 236 Liberty street, Pittsburgh, Pa , Jan 9, 1860.

"STOP THAT/COUGHING."—How can I do it? "Go to Keyser's on Wood street and get a bottle of his Cough Pactoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching, periods of the year. And we can, frum actual experiment, chost faily concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittshurgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundame sphere. We coughed steadily and laboriously for one whole week, in hopes of thing it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength potency and distressibility by the operation. In this stage of the siege, we coughed our way to Reyser's, 140 Wood 8t.—procured a fity cent bottle of the "Pectoral," took it according to directions, and in forty-sight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drocursville Capper, Dec. 14, 1859.

DEAR MADAN: — The reputation of the Medical Discovery, in curing all kinds of humors, is so well established by the unanimous voice of all who have ever used it, that I need not my anything on the subject, as the most skillful physicians and the most careful Draggists in the country are unanimous in its praise.
